Great place to grab a coffee and lunch, its right opposite the apartment

### **The Fish Bar Newquay**

Delicious fresh Seafood Tapas. Very popular, so booking might be an idea especially at busier times. The inventive, yummy and ever changing specials means we dine out here regularly.

This is my favourite, something special at reasonable prices, great food and atmosphere. Lovely selection of cocktails, an ideal place to watch the sun set whilst enjoying a drink with that special someone.

is on Newquay harbour and has a great vibe, lots of different street food, its usually buzzing and has a great atmosphere.

## Cafe Coast Porth

Porth Beach Road

Again this is right opposite, and they do the best doorstep sandwiches, and I hear on good authority their ice cream is pretty special.

Stunning views across Watergate Bay. Watch the waves and surfers whilst enjoying quality food and quaffing your favourite beverage. A lovely place to while away an afternoon reading and people watching.

## The Hole In The Wall

Literally what it says, you can find it just down the stairs on the beach. Coffees and ice creams on this menu.

Enjoy a luxurious afternoon tea or posh nosh in this imposing Victorian luxury hotel. With stunning views across Fistril Beach a great place to wind down and soak up the best of yester year.....somehow it makes me feel like I am in an Agatha Christie novel.....lovely.

## Zaman's restaurant

142 Henvr Rd

Indian food. Eat in (bring your own alcoholic drinks) or take away, very nice and again not far too walk, just 15mins away.

## Porth Veor Manor Hotel

Only a very short walk from the apartment and although we aren't part of this hotel they very kindly let us use their facilities, and this includes breakfast, it's very nice and a reasonable price. All you need to do is book the day before and say you are staying at Porth Sands, if they have room they will squeeze you in.

## Roo's Beach

Alexandra Road

18 locals recommend

A quick stroll across the beach to get a good quality coffee. Open daily for takeaway, Roo's Beach Coffee Hut serves fresh Origin coffee, hot and cold drinks, locally sourced cakes, freshly made toasties and hot sausage rolls. You'll also find 'The Hut' just next door to the coffee counter, with a variety of daily essentials on offer, including bread, eggs, milk and cheese, all locally sourced wherever possible.

## Francine's Newquay

Chester Road

Closest fish and chips, there is often a queue so best to ring and place order. Its only a 10 min walk away
